

Remarks

This amendment is introduced in response to the communication entitled "Notice to File Missing Parts of NonProvisional Application." It is understood that the communication is requesting an abstract "not exceeding 150 words in length." Accordingly, the abstract filed with the above-identified patent application is replaced with a new abstract having fewer words.

It is believed that his application is in condition for examination. Early notice to this effect is earnestly solicited.

Respectfully submitted,

MERCHANT & GOULD P.C.
